INTERNSHIP

Skillvoid

August 2023

Full Stack Web Developer Intern

Remote

- Developed a fully functional **E-commerce website clone** utilizing the **MERN Stack** (MongoDB, Express.js, React.js, Node.js).
- Implemented **user authentication and authorization** using **JWT** to ensure secure login and signup processes.
- Designed **responsive UI components** with React.js, ensuring compatibility across mobile and desktop devices.
- Managed state management using **Redux** and optimized backend API performance for faster product retrieval.

PROJECTS

Food Delivery Web Application

December 2024

Full Stack Developer

- Built a comprehensive **food delivery platform** using the **MERN stack** with features for ordering and restaurant management.
- Implemented **real-time order tracking** and integrated payment gateway for secure transactions.
- Developed separate dashboards for customers, restaurants, and delivery personnel with role-based access control.
- Designed an intuitive menu browsing experience with cart functionality and order history management.

Personal Portfolio Website

June 2024

Frontend Developer

- Designed and developed a **personal portfolio** to showcase technical skills, projects, and education history.
- Utilized HTML5, CSS3, and React.js to create a modern, **responsive**, and visually appealing user interface.
- Implemented **smooth scrolling animations** and a contact form to facilitate potential recruiter outreach.
